FRAUD ADVISORY

It has come to the Mines and Geosciences Bureau's attention that there's a false Gold Assay Report issued on May 22, 2020 for Alpha Twin Fire Dragons Corp. at 70F Balagtas St., Brgy. San Vicente, San Pedro, Laguna, signed by former DENR Undersecretary Mario Luis J. Jacinto.

We would like to clarify that the Bureau does not issue an analysis result in memorandum form instead, it will be issued as a Report of Analysis.

Moreover, former DENR Usec Jacinto retired as MGB Acting Director last July 10, 2017.

MGB also clarifies that there have not been any tests conducted and results issued in May 2020 as the Bureau did not accept clients during the Modified Enhanced Community Quarantine.

Furthermore, the Bureau currently uses the QR Code for official documents; the barcode is no longer in use.

Please be informed that such acts are fraudulent and by all means, **UNAUTHORIZED/ILLEGAL.**

MGB condemns such acts and requests the public to report similar cases or any other suspicious undertaking. Please immediately report to the office of any encounter of such activities at telephone numbers (02) 920 9120 or 920 9130.

Thank you.
